# Declaration of Performance

The performance of the product identified above is in conformity with the set of declared performances. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

For System 1 AVCP Notified certification body No 1812 performed, carried out the determination of the product type, the inspection of the manufacturing plant and factory production control and continuous surveillance, assessment and evaluation of the factory production control, and issued the certificate of constancy of performance for reaction to fire (Exposed foil face side), cert No 1812-CPR-2072.

## Notes

System 1 AVCP is only applicable to Reaction to Fire class C and above  
System 3 AVCP is applicable to Reaction to Fire class D & E

Notified testing lab 0751 performed the tests for the other relevant declared characteristics (AVCP 3 properties).

\* Note: Our declaration is based on tests performed on:

- 30 mm Kingspan Kooltherm® Duct Insulation for these characteristics: Closed cell content
- 50 mm Kingspan Kooltherm® Duct Insulation for these characteristics: Maximum service temperature, Minimum service temperature, Compressive strength.
